Ref - Educational Field Trip

Dear Parent,

We are delighted to inform you that our learners in Grade 3 will be going on an educational field trip to **Avarya Supermarket**. This trip is designed to reinforce the mathematical concept of *money* through a fun and practical learning experience.

During the visit, learners will explore the value of different items and practise calculating change after making purchases. Each learner is required to bring Rs. 100 for shopping. As part of promoting environmental awareness, we urge parents to help our learners carry a cloth or reusable shopping bag from home for the items they purchase.

This experience will help learners make meaningful real-world connections to their ongoing unit and understand the importance of mindful spending and sustainable practices.

Trip Details:

Date:

- **29th October – 3 Ekam, 3 Uno, and 3 Eins**
- **30th October – 3 Ena and 3 Otu**
