This vibrant opening promises to set the tone for the season as our learners step beyond their comfort zones, embrace fitness as a way of life, and celebrate the joy of movement. With every game, they will not only showcase their athletic skills but also embody the values of sportsmanship, teamwork, and camaraderie qualities that define true wellness and success, far beyond victory itself.

1. Every learner will have the chance to take part in one sport.

Please note that while each learner can select three preferences via the Google form link below. Some events may need to be cancelled if the number of participants falls below the required minimum. Learners will be assigned accordingly, based on the final decision made by the PE team and House Masters.

We will make every effort to keep any changes to a minimum and sincerely appreciate your understanding in aligning expectations. The practice schedule and other relevant details will be shared once the allocation process is completed. We would also like to emphasize that no member of the PE team is affiliated with any specific house. The team is committed to upholding the values of fair play and inclusivity, and all decisions are taken with the best interests of both the houses and the overall team dynamics in mind.

3. Please note in case you miss out on filling in your preferences by the given deadline, the sport for your child would be decided by the House Masters and Homeroom Teachers.

4. All equipment will be provided by the school. However, for sports like cricket, learners may bring their own bats. Some games will be led by external mentors and experts to ensure an enriching experience.

The practice schedule and timetable will be shared once the game allocations are finalised. We are mindful of academic commitments during this period and will ensure they are taken into account and accommodated.
