Dear Parents and Learners,

The most exciting time of the year is here—InspirUs 2026 is just around the corner!

This year, InspirUs is going to shine brighter and be more spectacular than ever! It's not just an event, it's a joyful celebration of our shared passion for inspiring and bringing out the amazing potential in our learners.

This year, our theme is Aspire to Inspire: A Journey Through Every Skill, Every Step, Every Story! With this as our guide, we're set for an exciting journey full of curiosity, creativity, and house spirit, all while learning to care for our planet and create lasting memories!

Do you have a brilliant idea for a fun competition or a creative twist we could include this year? We'd love to hear it! Just fill out the [Google Form](#) and share your suggestions with us.

Here's a peek at some of last year's [cherished memories](#) —let's make 2026 even more unforgettable!

Please note: While every suggestion is appreciated, not all may make it to the final event.
