

Welcome to Grade 3 - Fun Day Glimpses

Dear Parents,

It was an absolute pleasure to welcome our young learners back to school after the summer break. The energy, joy, and laughter that filled our classrooms and hallways this week reminded us just how special each child is and how much we missed having them around.

Reuniting after the break has been a heartwarming experience. The children returned with bright smiles, exciting holiday stories, and a renewed curiosity to learn and grow. We spent these initial 2 days not only settling in, but also taking time to rebuild our connections — through circle time conversations, team-building games, and creative activities designed to ease the transition and celebrate being together again.

The bonding that has taken place among peers and with teachers has been truly touching. Whether it was a shared giggle during a game, lending a helping hand to a friend, or simply sitting in a quiet moment of reflection — each interaction added a meaningful thread to the fabric of our classroom community.

We've seen the excitement in their eyes and the spark of motivation as they step into this new term. The enthusiasm they bring is contagious, and we're incredibly proud of how open, confident, and ready they are to take on new challenges. It's clear that we're off to a wonderful start — and we know that with your support and their spirit, this year will be filled with memorable learning experiences and joyful growth.

Thank you for entrusting us with your children. We look forward to partnering with you through the months ahead as we continue this beautiful journey of exploration, discovery, and becoming.

Warmest Regards,

Grade 3 Ena HRT's

Ms. Suneha and Ms. Carmelita
