Ref - Accelerator Talent Development Program (TDP) Trials – AY 2025-26

Dear Parents,

We are pleased to ***offer one final opportunity*** for learners who missed the earlier try-outs to register for the Accelerator Talent Development Program (TDP) for ***Cricket, Basketball, Athletics, and Soccer***.

This is the last chance for learners who aspire to represent JBCN International School, Parel at inter-school, district, and National-level competitions. Through TDP, we aim to nurture committed learners who demonstrate sporting potential and can maintain a healthy balance between Academics and Sports.

Important information

Eligibility: Boys and Girls who are competition-ready and willing to commit to regular training.

Registration: Parents are requested to complete the registration by Friday, 10th August 2025. No registrations will be accepted post the due date.

Trial Dates: Will be shared post-registration and may be scheduled on a weekday or weekend.

Trial Results: Will be shared via MSO circular. Shortlisted parents will be invited for an orientation session.

Note: There are limited seats, and selection is based on performance during trials. Please set expectations with your learner accordingly.

Equipment: If available, learners may bring their personal sports gear (e.g. cricket bat, pads, football boots, etc.).

For Cricket Trials: Wind Ball will be used for trials; safety gear (except helmet) is encouraged.

Personal Essentials: Towel, refillable water bottle, light snacks/fruits.

Transport: Parents must arrange pickup & drop-off at the trial venues as required.

Weekly and Weekend Training Schedules (Post Selection as applicable)

Schedules vary by sport and age category. Please plan tuitions or extracurricular activities accordingly to avoid conflicts.

The TDP program comes at a cost, and only shortlisted learners will be eligible to represent JBCN Parel in external competitions. We encourage serious and committed participation only.
