To,

Parents of Grade 1 to 5 learners

**Ref – Time Table**

Dear Parents,

We hope you had a wonderful **Academic Orientation**, full of learning & bonding while we settle into the Academic Year 2025-26. Thank you for being active participants through the Orientation.

We are all geared up to welcome our learners to school on Thursday, 24th July 2025.

We will be uploading the Time Tables on MSO and Toddle by the end of day today. Please find the Timetables for your respective class under the tab marked **“Time Table”** on MSO and Toddle. In case you are unable to view the same on MSO, please access the same through the browser.

Thank you and once again we wish our learners all the very best for the new Academic Year 2025-26.

Warm Regards,

The Management Team
