Ref- Celebrating Global Recognition - JBCN Parel is a part of the Top 40 IB Schools in the World

Dear Parents,

We're delighted to share a moment of immense pride and joy with you, our parent community, along with our learners and teachers.

JBCN International School, Parel has been ranked 33rd among the Top IB Schools globally - a recognition that reflects the strength of our academic results, the quality of university placements, and the depth of our teaching and learning practices. What makes this achievement even more special is that JBCN Education is the only group with two schools in the Top 40 list worldwide.

The evaluation for these rankings is thorough and demanding. It considers learners' performance in the IB Diploma Programme, the consistency and quality of academic outcomes over time, and the strength of university placements, making this accomplishment a true reflection of excellence for all schools globally.

You can view the rankings here: <https://ib-schools.com/league-tables/global-top-ib-schools>

This milestone has been made possible by the efforts of our learners, the dedication of our teachers, and the trust and partnership of **you, our parents**. Thank you for playing such a vital role in this journey.

Warm regards,

The Management Team
JBCN International School, Parel
