

Dear Parents,

As we transition to a virtual learning environment, we request you to kindly go through the circular and discuss with your child the essential agreements for virtual school. This will help ensure smooth learning and responsible participation.

Here are some essential agreements learners are expected to follow:

- Be ready and online 5 minutes before the session begins.
- Keep all required materials (notebooks, stationery, books) ready.
- Mute the microphone when not speaking, and use the “raise hand” option to share.
- Keep the camera switched on at all times (unless directed otherwise).
- Listen respectfully and do not interrupt when others are speaking.
- Stay focused during lessons and avoid multitasking.
- Complete and submit tasks on time.
- Stay hydrated and eat during the allotted break times.

We request your support in reminding learners about these agreements and ensuring they are followed consistently.

Thank you for your cooperation in helping us make virtual learning productive and meaningful for our learners.
