

Invite: Parents as mentors for our next unit

Dear Parents,

We are excited to kickstart our new unit, "How We Express Ourselves." As the name suggests, this unit will delve into various art forms such as visual art, literary art, and performing art that are used as catalysts for self-expression.

Within these broad categories, learners will have the opportunity to explore art concepts that resonate with them. With respect to their interests, they will choose any one art form and delve deeper into it.

As parents, you bring valuable expertise and unique perspectives that can greatly enrich our learning community. We are excited to invite you to volunteer as a mentor to support our learners in deepening their understanding of their chosen art form.

We would love for you to take the lead in mentoring in one of the following areas: Visual Art, Literary Art, Performing Art. For a more detailed understanding, please refer to the attachment provided.

You may choose to lead a 40-minute session on any one day of the week during the three-week period starting from 10th November. While conducting one mentor session will suffice, you are welcome to lead additional mentor sessions if preferred.

The sessions will be scheduled on any weekday based on your availability, within the timeslots provided below.

Additionally, we request that you share any resources you may require to facilitate your sessions, along with your preferred day and time slot. We will do our best to accommodate your requests.

Looking forward to a creatively enriching journey together!

Thank you,
