Ref- Registration for External Competitions in Individual Sports, Try-out Registration for AY 2025–26

Dear Parents,

We are excited to announce try-outs for learners who wish to represent JBCN Parel in external individual sports competitions for the academic year 2025-26. The sports included are Badminton, Squash, Table Tennis, Chess, Lawn Tennis, and Swimming.

If your learner excels in any other individual sport not mentioned above, please share the details via the Google Form registration link provided below, and we will connect with you accordingly.

Please note that these trials are only for learners who are ready for competition. If your child is currently at a recreational or beginner level, we suggest waiting until they are better prepared. We encourage you to have an open conversation with your child to help set the right expectations and avoid disappointment.

Registration closes: Saturday, 2nd August 2025. Trials will be conducted only for registered learners.

Trial Venue/Time: May be scheduled after school hours or on weekends, including at external venues, depending on the sport and number of registrations.

Note: Parents may be required to manage transport if the trial is held at an external venue.

Important:

- Learners must arrive in appropriate sportswear and carry their equipment (e.g. rackets, gum shoes for racquet sports, swimming costume).
- Light snacks and fruits are recommended for the day.
