To,

Parents of Wholeschool Learners

Ref – Parent Ambassador Programme for AY 2025-26

Dear Parent,

We are pleased to inform you that we are continuing the **Parent Ambassador Programme** – a unique opportunity for you to actively contribute to our school community and enhance the experience for all the parents and learners of our school.

This initiative aims to further strengthen our school's parent network by bringing together families from diverse backgrounds and providing them with meaningful opportunities to connect and engage with one another. This group of parents will be leading certain activities and events at the school for us. As a parent ambassador, you would play a crucial role in organizing events, building strong, long-lasting bonds and helping us create a holistic experience for your learners.

Please note that this initiative would be run independently by the marketing and communications team to further amplify the Parent-School and Parent-Parent bond.

As a Parent Ambassador, you will be a part of:

- Brainstorming sessions for Events
- Contributing to a few events and activities
- Be eligible for **Parent Ambassador of the Month** and lead Parents Clubs, events and activities
- Bond with other parents at the school
- Participate in new parent events and share your experiences
- Be part of the **Parent Buddy** program for new parents
- Share your expertise
- Collaborate with the teachers for certain guest speaker/field trip/judges for various events like InspirUs
- Testimonials and Feedback
- Contribute to school blogs (website & LinkedIn)

How Can You Join?

Joining the Parent Ambassador Programme is easy! If you're interested in becoming a part of this dynamic initiative, please fill out this [form](#). We will review the form post-submission. Please note that completing the form does not guarantee your participation in the programme, as we have limited availability this year.

Please note the deadline for filling the form is 14th August, 2025.

Your participation will be greatly valued and will contribute to the growth and success of our school community. Together, we can make our school an even better place for our children to learn, thrive, and succeed.

Thank you for your ongoing support and commitment to our school. We look forward to embarking on this exciting journey together.

Warm regards,

The Management Team
JBCN International School, Parel
