To,

Parents of Wholeschool Learners

Ref- International Virtual Marathon 2025

Dear Parent,

This information has been shared by JBCN International School, Borivali. In celebration of India's Independence Day, we are proud to support the International Virtual Marathon 2025, an initiative by the *Light of Life Trust* that reflects the true spirit of freedom — the freedom to learn.

Event Dates: 15th, 16th & 17th August 2025

Format: Run, jog, or walk from *any location* at your own pace.

This unique virtual marathon invites participants from around the world to unite for a shared mission — empowering rural children through education.

This year's theme, "*I Run, They Learn*", captures the heart of the cause: every step you take brings a child closer to education. The funds raised will directly support learning resources, mentorship, and academic assistance for children in underserved communities.

Why Join?

- Combine fitness and philanthropy.
- Celebrate Independence Day with a purpose.
- Help create a future where every child is free to learn, grow, and thrive.

How You Can Participate:

1. Register to Run/Walk: [Click here to register](#)
(or scan the QR code on the flyer)
2. Sponsor a Child's Education: [Contribute here](#) —
Your support can transform a life.

Let's make every mile count — for ourselves, for our community, and most importantly, for a child's future. Together, we can make a real difference.

Regards,

JBCN International School, Borivali
