

# Parents as Guest Speakers: Enhancing Learning Through Real-World Connections

Dear Parents,

As a community, we believe in the active involvement of parents in the learning process. In our current unit, "How We Organise Ourselves," which focuses on various phenomena, the role of an NGO, rights and responsibilities, we recognize the value of connecting classroom concepts with real-world experiences.

We warmly invite you to join us as guest speakers to share your knowledge, experiences, and insights related to our unit or lines of inquiry. Whether you bring professional expertise, community service involvement, or personal experiences with rights and responsibilities, your contribution will provide invaluable learning opportunities for our learners.

If you have experienced a natural/or man-made disaster, you are welcome to share your experience with us. Please get in touch with your respective HRT's.

We look forward to your involvement.

Regards,

Grade 3 Team.
