To,

Parents of Grade 3 Ena learners

Ref- Academic - Change in Homeroom Teacher

Dear Parents,

It has been a pleasure engaging with our creative young learners and equally with you as our partners in this unique home-school connect this academic year. Our teachers have wonderful anecdotes to share about our learners as each day brings new experiences.

Parents, we would like to keep you informed of an important development. Ms. Carmelita, the HRT of Grade 3 Ena is transitioning to a new role of an EAL teacher with effect from Thursday, 4th September 2025.

While we take this opportunity to thank Ms. Carmelita and wish her good luck, we are also cognizant of maintaining the continuity of seamless holistic education for our young learners.

Likewise, Ms. Rashida Kothari will be joining Grade 3 Ena as the Homeroom Teacher from Thursday, 4th September 2025. Ms. Rashida is an enthusiastic and experienced teacher who brings her invaluable experience in the education scenario into our learning space. She will be taking up the responsibility of the Grade 3 Ena HRT right till the end of this academic year.

Dear parents, please be assured that our endeavour is always to give due focus to the social-emotional well-being of our learners while forging ahead through the teaching-learning journey. We shall continue to foster the same and inform our learners so that this transition is comfortable and smooth for them.

Looking forward to continuing the learning journey.

Warm regards,

The Management Team
JBCN International School, Parel
