Ref – Academic - GL Assessments

Dear Parents,

We are pleased to inform you that the GL Assessment Progress Test series for English, Math, Science and CAT (only for Grade 3) will be administered to all learners in Grades 3-5 during the weeks of August 11th to 15th and August 18th to August 22nd. These assessments will take place during regular school hours.

GL Assessments are cognitive ability tests that provide valuable insights into each learner's strengths and areas for growth. These assessments help us better understand individual learning needs, tailor instruction, and support personalized learning pathways.

As the assessments are designed to measure natural cognitive abilities, no prior study or revision is necessary.

Please note that some sections include listening tasks. Therefore, we request that learners bring their own **labelled earphones or headphones (with a 3.5mm jack)** on the day of the assessments.

Once completed, detailed assessment reports will be shared with you. These reports will offer a clear overview of your child's cognitive profile and guide you in supporting their learning journey at home.

GL Assessment schedule for administering test series:
