

Athletic me announcement

Dear Parents,

As our Juniors begin their first day of Athletic Me practices, we are excited to see them step into this journey of fitness, fun, and learning. To ensure the sessions run smoothly and comfortably, we request learners to:

Wear their sports attire/dry-fit from home for Athletic Me practices.

Carry their rain jackets/windcheaters.

Bring their PE/School uniform to change into after practice.

Learners who have opted for swimming are reminded to carry their complete swim kit.

For Grades 3 & 4, learners are requested to carry their dry-fit attire and rain jackets from home.

While we will take all necessary precautions and arrange for indoor venues whenever needed, being well prepared will keep the children more comfortable and allow them to make the most of their practice sessions.
