

Grade 4-Led Shoe Donation Drive – Joy of Sharing Week

Dear Parents,

As part of our Joy of Giving Week celebrations, JBCN International School, Parel, is partnering with the Greensole Foundation to conduct a Shoe Donation Drive.

This initiative is being led by our Grade 4 learners, and we warmly welcome learners from Grades 1 to 5 to participate and contribute to this meaningful cause.

About Greensole Foundation:

Greensole is a Mumbai-based social enterprise founded in 2015 by athletes Shriyans Bhandari and Ramesh Dhami. Their mission is to upcycle old shoes into new, durable footwear for underprivileged children in rural areas, while also reducing waste and promoting sustainability.

To know more, visit: <https://greensolefoundation.com>

What to Donate:

We request learners to donate old and unwanted footwear — not only their own, but also those of parents, grandparents, cousins, relatives, or neighbours who may wish to support the cause.

They accept:

- Slippers
- Sandals
- Sports shoes
- Casual shoes
- Formal shoes

They do not accept:

- Footwear smaller than UK size 6
- Heels, wedges, or studded sports shoes

How to Donate:

- Ensure each pair is to be tied together securely or packed in newspaper/paper bags.
- Learners may bring the footwear to school and drop it in the cartons stationed in any of the Grade 4 homerooms.

Last day for donation: 29th September, 2025

We look forward to your support in making this donation drive a success and spreading the joy of giving within our school community.

Warm regards,

Joy of Sharing Team
