Ref – Accelerator Fair (Meet the Partners)

Dear Parent,

As the Accelerator Program is about to begin soon, the Accelerator team has worked on more meaningful programs for our learners to support their growth in physical, mental, and creative domains. Since many parents wish to meet the partners before the program begins, we are excited to introduce the **Accelerator Fair for the Academic Year 2025–26**, where parents and learners can meet our program partners, interact with facilitators, and gain insights into the offerings for the upcoming year. The fair will be held across designated venues within the school campus, with each area showcasing specific activities. It is scheduled from 10:00 am to 12:00 pm. Parents can gain clarity on the structure, goals, and expected outcomes of each program.

Please Note: There are no trial sessions in the fair. You can meet the partners to discuss the program.
