

C 100 (2025-26)

To

Parents of Grade 1 to 12 learners,

**Ref – Nominations for JBCN Changemakers Awards**

Dear Parents,

We hope you and your family are well and the first few months of the academic year have been good.

We will be celebrating our learners' most important accomplishments by recognizing their outstanding achievements in different fields of their interest and expertise.

We will host this special Event on the **8th October 2025** at school to recognize our learners' and the organization's most important accomplishments amongst other attractions, which will include a learner-led conversation with our Founder, Mrs Pinky Dalal and our Board members about the future of JBCN.

The Changemakers Awards celebrates our learners achievements in diverse fields, the awards include: Academics, Sports, Arts, Technology- Innovation and Social Outreach achievements. Along with teachers' nominations we would like the parents to nominate your learners via this [Google form](#). We would like to receive your nominations at your earliest convenience but no later than Monday, **22nd of September 2025**.

In order to qualify for the awards the learner is expected to share evidence of achievement and its impact. The evidence can include reflections, pictures and videos in action and certificates.

1. **Tech Award:** This award proposes to felicitate those learners who:

- Demonstrate an outstanding and comprehensive understanding of various technological concepts, tools, and platforms.
- Display exceptional coding and programming skills across multiple languages and frameworks.
- Participated and excelled in hackathons, coding competitions, and technology challenges.

2. **Sports Award:** This award recognizes learners that achieved state or national-level recognition. E.g.: 1st place at a National Competition.

3. **Arts Awards:** This award recognizes a learner-artist (Performing Arts or Visual Arts) that has been recognized at a state or national-level event or by a national-level organization.

4. **Innovation Award:** This award will celebrate a learner who has used their creativity and problem-solving skills to develop innovative solutions for real-world problems.

5. **Social Outreach Award\***: This year there will be 2 different awards for social outreach.

1. **Social Outreach award for Work with an NGO:** Acknowledging learners whose efforts by participating in a group project or working with an NGO have resulted in significant social impact, addressing issues related to environment, poverty, education, or other social challenges
2. **Social Outreach award for Work with the environment and sustainability:** Honoring learners who have taken the lead in addressing issues such as promoting environmental sustainability and conservation efforts.

\*Please refer to the expectations mentioned below

## **SOCIAL OUTREACH NOMINATION**

### **Expectation:**

1. The learner should have initiated a community service project related to a relevant issue.
2. The project should be a long-term project where the learner has worked for a minimum of 6 to 8 months consistently, from initiating, and planning to the outcome.

To be able to nominate the learner should provide:

1. An overview of the social outreach project including its impact
2. How did you plan and prepare for the social outreach
3. How and who supported the social outreach project
4. Action that was taken, duration, evidence in pictures/ video and feedback
5. Audio video or written notes from the recipients of the social outreach.
6. Did you involve any partners to join you in the project( any collaboration)
7. Impact and outcome of the project
8. Self-reflection of the process and achievements

We look forward to receiving your learner's nomination.

Warm Regards,

The Management Team  
JBCN International School, Parel
